

**Indian School of Business  
Positions in Marketing Area**

The Indian School of Business (ISB) is an independent, research-driven, world-class business school in Hyderabad, India. It is a collaborative effort of eminent business leaders, entrepreneurs, and academics from around the world. The school launched its one year Post Graduate Programme in Management (PGP - on par with the best of two-year MBA Courses offered by other premier institutions worldwide) in June 2001, and has successfully graduated and placed nine Classes of PGP students. The tenth batch of students started their classes in April 2010.

Current faculty members at ISB have graduated from the best universities, primarily in USA, UK, India and Singapore and have published in leading academic journals in their respective fields. The School provides a vibrant research environment for and benefits from the visiting faculty and scholars it hosts every year.

Consistent with its research orientation, the school invites application for post-docs & full time tenure-track faculty positions in the area of Marketing at all levels – Assistant, Associate (tenured or untenured) and Full Professors. Applicants must have an earned PhD from a reputed institution, excellent research and teaching skills, and must demonstrate the ability to produce scholarly work at the highest level, and also show the capability of becoming outstanding teachers. Applicants for senior appointments will have to have published extensively in top-tier refereed journals and must demonstrate a proven track record of ability to mentor junior faculty. As a new institution which aspires to be counted among the best in the world, ISB offers a unique opportunity for its senior faculty members to exert considerable influence over the culture and ethos of the school. The ISB has been listed as one among the top 12 global B-schools by the Financial Times Global MBA 2010 rankings.

The ISB has a tenure system similar to the top schools in the U.S. and is an equal opportunity employer. Compensation is competitive on a PPP basis. The infrastructure and facilities at the ISB, unparalleled to any educational institution in India and perhaps Asia, are as good as, if not better than, those at the best business schools in the U.S. and Europe.
