About ISB: ISB's Vision is to be an internationally top-ranked, research-driven, independent management institution that grooms future leaders for India and the world. The ISB's distinctiveness stems from its unique origins, its innovative academic programmes, and its world-class, yet affordable proposition.

Indian School of Business is a premier management institution established in 2001. In a short span of ten years, the ISB has successfully pioneered several new trends in management education in India and has established itself as a leading B school across the world. The ISB has a strong pool of research oriented resident faculty and invites high calibre international faculty from reputed B schools to teach in its Post Graduate Programme in Management/Executive Education Programmes/Post Graduate Programme in management for Senior Executives as well as to participate in collaborative research with the resident faculty.

For the fourth successive year, the ISB's Post Graduate Programme in Management (PGP) has been ranked among the top 20 in the Global Top MBA rankings 2011 "<http://rankings.ft.com/exportranking/global-mba-rankings-2011/pdf>" released by the Financial Times, London. This year, we have been

ranked at No. 13 and also have emerged the highest in the “salary percentage increase” category.

The Indian School of Business has formed academic alliances with the Kellogg School of Management at Northwestern University, the Wharton School at the University of Pennsylvania, and the London Business School (LBS), bringing the best of global management practices and thinking into our curriculum.

One School, two campuses:

The MBA programme will run in parallel at both our campus as we are setting up a second ISB campus at Knowledge City, Mohali.
The first academic session at Mohali is scheduled to commence in the year 2012.

About Hyderabad

Hyderabad, the city of smiles, of lights, of a thousand faces, endearingly called the Pearl City. Hyderabad is the capital city of Andhra Pradesh. As of 2010, it is the sixth most populous city. Attached to the city is its twin, Secunderbad, which is part of Hyderabad. The twin cities of Hyderabad and Secunderbad are separated by the Husain Sagar, an artificial lake constructed during the time of Ibrahim Quli Qutb Shah Wali in 1562 A.D.

Hyderabad is very famous for its art, jewellery (pearls), poetry, architecture and cuisines. Hyderabad cuisine is a blend of Mughal and Persian cuisine. Hyderabad offers a variety of tourist attractions ranging from Heritage monuments, Lakes and Parks, Gardens and Resorts, Museums to delectable cuisine and a delightful shopping experience.

Hyderabad is one of India's most important economic centres and is also gaining much importance in the IT sector. The city is known for its booming IT and IT Enabled Services, Pharmaceuticals and Entertainment industries. Many call centers, Business process outsourcing (BPO) firms, dealing with IT and other technological services were set up making it one of the major regions for call center setups in India. The development of a township with related technological infrastructure called

HITEC City prompted several IT and ITES companies to set up operations in the city. An aggressive promotion of growth in this area has led civic boosters to call the city Cyberabad. The growth in the IT sector and opening of Rajiv Gandhi International Airport attracted activity in other economic sectors like real estate and infrastructure, healthcare in the 2000s. The city has constantly kept pace with the latest trends and advancements in technology and has acquired the status of a 'cyber city'. The 20th International World Wide Web Conference took place in Hyderabad.
