

THE HINDU

ISB to train Accenture mid-level managers

Special Correspondent

HYDERABAD: Accenture and the Indian School of Business (ISB) have launched the Accenture Management Development Academy in India, an online classroom and on-the-job training pro-

gramme designed to develop and nurture leaders from Accenture's mid-level management in India, according to a release.

Research

The Centre for Executive Education and the

Centre for IT and Networked Economies (CITNE) at the Indian School of Business have partnered with Accenture to develop the curriculum for the Academy, with CITNE bringing its cutting-edge research to enrich the programme.
