

ISB in world's best B school list:
Hyderabad found its moment in the sun when the Indian School of Business ranked 20th in the list of top 100 business schools by the *Financial Times*' 2008 report. However, according to the 2009 report, ISB rose 5 ranks, to stand 15th in the list of top B-schools, reinforcing its status as a world acclaimed centre for management education. The *Financial Times*, 2009 rankings place ISB second among Asian B-schools, closely following China's CEIBS. ISB has put Hyderabad on the global map, making it a much-sought destination for higher studies.
