

Indian School of Business
Faculty Positions in Information Systems Area at ISB - Academic Year 2022-23

The Indian School of Business (ISB) is a not for profit, independent, research-driven, global business school with two campuses located in Hyderabad and Mohali, India. A collaborative effort of eminent business leaders, entrepreneurs, and academicians from around the world laid the foundation for the School.

In the year 2001, the School launched its first one-year Post Graduate Programme in Management (PGP), equivalent to the two-year MBA Courses offered by premier Business Schools in India. This year, the 21st Batch has commenced. The Indian School of Business is one of the youngest schools to have consistently been ranked among the top business schools globally by the Financial Times Global MBA rankings since 2008.

The Indian School of Business has a [unique portfolio faculty model](#) which accommodates a mix of accomplished resident faculty who have graduated from the best universities, primarily in the USA, Europe, Singapore, and India, and have published in leading academic journals in their respective fields, and visiting faculty from our associate schools, namely the Wharton School, the Kellogg School of Management, the London Business School, MIT Sloan School of Management, and The Fletcher School as well as other leading business schools. The Senior faculty members from our associate schools are designated as Area Leaders. They play a key role in academic programmes and research at ISB. In consultation with the resident faculty, they actively engage in formulating the curriculum, attracting the best faculty to the School, mentoring junior faculty, and providing direction to research in the relevant subject areas. The School also provides a vibrant research environment that attracts, supports, and benefits from the Visiting scholars it hosts every year.

The Indian School of Business invites applications for full-time tenure-track faculty positions in the area of Information Systems at all levels – **Assistant (tenure-track), Associate (tenured), and Full Professor (tenured) for appointments in the 2022-23 academic year, which begins in April 2022.** Applicants must have a PhD from a reputed institution, have excellent research and teaching skills, demonstrate an ability to produce scholarly work at the highest level, as well as demonstrate the capability to become an outstanding teacher. Applicants for senior appointments should have published extensively in top-tier refereed journals and have a proven track record of successfully mentoring junior faculty. As an institution aspiring to be counted among the top 10 in the world, ISB offers a unique opportunity for its senior faculty members to exert considerable influence over the culture and ethos of the School.

The Indian School of Business has a tenure system similar to the top schools in the United States. The compensation and teaching loads are competitive. The research support includes excellent infrastructure, research funding, and research assistance, which compare favorably with those at the best business schools in the United States and Europe.

Ideally, the candidates should plan to join by April 2022 (negotiable).

Interested candidates are requested to send their CV, sample publications, and working papers as well as arrange for three reference letters, in electronic form only, to:

Email: is_recruiting@isb.edu with a copy to Professor Rajib Saha (rajib_saha@isb.edu)

The Indian School of Business values gender diversity among its faculty, is committed to building a diverse intellectual community, and strongly encourages applications from women. Indian School of Business is an Equal Opportunity Employer.

The initial screening process will continue until the end of the current year, 2021. However, we request interested candidates to send in their applications by December 5, so that initial meetings of the shortlisted candidates can be arranged during the International Conference on Information Systems (ICIS 2021) in Austin. We may also arrange online meetings with the early applicants.
