

Indian School of Business
Faculty Position in Information Systems Area at ISB - Academic Year 2023-24

The Indian School of Business invites applications for full-time teaching-track faculty position in the area of Information Systems (IS) at all levels (Assistant, Associate, Full) for appointments in the 2023-24 academic year. Applicants must have a graduate degree from a reputed institution, have excellent teaching skills, and demonstrate the capability to become outstanding teachers. The candidate should be well-versed in teaching graduate level management courses with demonstrated experience in the areas of Digital Transformation, Data Analytics, AI and ML, Technology Innovation and Entrepreneurship, and Technology Product Management. The candidate should also demonstrate potential to develop new pedagogical tools (e.g., case studies, games and simulations), new programs and course curricula, pilot cutting-edge technological interventions for the classroom and undertake benchmarking and curricula review exercises that benefit other faculty members in the IS academic area. As an institution aspiring to be counted among the top 10 in the world, ISB offers a unique opportunity for its faculty members to exert considerable influence over the culture and ethos of the school.

About the school: The Indian School of Business (ISB) is a not-for-profit, independent, research-driven, global business school with two campuses located in Hyderabad and Mohali, India. A collaborative effort of eminent business leaders, entrepreneurs, and academicians from around the world laid the foundation for the school. In 2001, the school launched its first one-year Post Graduate Programme in Management (PGP), equivalent to the two-year MBA Courses offered by premier Business Schools in India. This year, the 23rd batch has commenced. The Indian School of Business is one of the youngest schools to have consistently been ranked among the top business schools globally by the Financial Times Global MBA rankings since 2008.

The Indian School of Business has a [unique portfolio faculty model](#) which accommodates a mix of accomplished resident faculty who have graduated from the best universities, primarily in the USA, Europe, Singapore, and India, and have published in leading academic journals in their respective fields, and visiting faculty from our associate schools, namely the Wharton School, the Kellogg School of Management, the London Business School, MIT Sloan School of Management, and The Fletcher School as well as other leading business schools. The Senior faculty from ISB, as well as our associate schools, are designated as Area Leaders. They play a key role in academic programmes and research at ISB. In consultation with the resident faculty, they actively engage in formulating the curriculum, attracting the best faculty to the School, mentoring junior faculty, and providing direction to research in the relevant subject areas. The School also provides a vibrant research environment that attracts, supports, and benefits from the Visiting scholars it hosts every year.

The Indian School of Business has a tenure system similar to the top schools in the United States. The compensation and teaching loads are competitive. The research support includes excellent infrastructure, research funding, and research assistance, which compare favorably with those at the best business schools in the United States and Europe.

*The Indian School of Business values gender diversity among its faculty and is committed to building a diverse intellectual community. We strongly encourage applications from candidates who help us reach the **school's diversity, equity, and inclusion goals**. Indian School of Business is an Equal Opportunity Employer.*
