Board. Rakesh served as a member of the 'Round Table on School Education' for Ministry of Human Resources Development, Government of India. He also served as a member of the International Advisory Council of Southern Methodist University (SMU), Dallas, USA and the Executive Council of YMCA University of Science and Technology. Rakesh was also a member of India – Canada CEOs Forum and Punjab Investment Advisory Council (PIAC).

Rakesh believes that a responsible corporate has a duty to give back to the community in which it operates. He is a Life Trustee and the Co-Chairman of Bharti Foundation. Bharti Foundation's education programs reach out to more than 55,000 children from socially and economically challenged backgrounds. The flagship Satya Bharti School Program offers free quality education through 254 (Primary, Elementary and Senior Secondary) Schools that provide quality education to underprivileged children. These schools provide free mid-day meals, books and uniforms to all the children.

Bharti Foundation has undertaken a new initiative – 'Satya Bharti Abhiyan' focusing on sanitation facilities in rural Ludhiana, Punjab. As part of this program, over the next three years, the Foundation will construct toilets in rural households lacking such facilities in over 900 villages across the district. In addition the 'Satya Bharti Abhiyan' will also invest in improving sanitation facilities in Government schools in rural Ludhiana by building new toilets for girls, where no such facilities exist.
