Young Professional

Securities and Exchange Board of India.

Objective

I seek opportunities that will allow me to enhance my skills in areas of Finance. As a researcher, I would like to work on Corporate Bond Markets, Corporate Finance, International Finance, and Climate Finance.

1. Qualifications

- M.Com (Applied Finance), Osmania University, 2018-8.6 CGPA
- B. Com (Generals), Osmania University, 2016-70%

2. Work Experience

- Since August 2022: Young Professional, Department of Economic Policy and Analysis, Securities and Exchange Board of India (SEBI), Mumbai.
I got to work on two research projects intended for policy decisions.
- June 2018 to March 2021: Assistant Professor, St. Mary's College, Yousufguda, Hyderabad.
As a faculty, I got an opportunity to teach finance and accounting basics to learners at the Graduate level.

3. Research Projects Undertaken (in Brief)

- *International Comparison of Liquidity Enhancement Schemes in Corporate Bond Market.*

Project Guide: 1. Ms Deepthi, General Manager, SEBI

2. Mr Prabhas Rath, Chief General Manager, SEBI

3. Research Advisory Committee (RAC) set up by SEBI.

The analysis has been done to understand the impact of liquidity enhancement schemes on the Corporate Bond Markets of the United States, Europe, Singapore, Korea and Australia. The project intended to understand the suitable measures for Indian Corporate Bond Markets.

- *Insider Trading- A Comparative Analysis of Insider Trading Regulations Around the World.*

Project Guide: 1. Ms Jenny John, General Manager, SEBI

2. Mr Prabhas Rath, Chief General Manager, SEBI

3. Research Advisory Committee (RAC) set up by SEBI.

The study covered the analysis of the extant/proposed Insider Trading regulations in India and five other major jurisdictions, viz., the United States of America, Singapore, United Kingdom, Australia and the European Union intending to check whether regulations in those jurisdictions are superior to the Indian regulations. The data were collected from publicly available sources.

- *Impact Financing in Micro-Finance Institutions in India.*
 Project Guide: 1. Ms Anitha C Raman, Associate Professor, IBS, Hyderabad.
 2. Dr. Saibal Paul, Associate Director at Sa-Dhan.
 The study aimed to understand the challenges faced by microfinance institutions in raising funds from impact investors. A primary data survey has been done to understand the hidden gaps which are existing in the negotiation process with Impact Investors. The study is intended for the Policy recommendation to the Reserve Bank of India.

- *Penetration of FinTech Apps Among Marginalized Women Clients*
 Project Guide: 1. Ms Anitha C Raman, Associate Professor, IBS, Hyderabad.
 2. Dr. Saibal Paul, Associate Director at Sa-Dhan
 The study intended to understand the challenges faced by marginalised women clients in using Fin-tech applications. The project is also intended for the policy recommendation to the Reserve Bank of India.

4. Research Papers Published

Amulya, V. (2018). Impact of FDI (Foreign Direct Investment), FII (Foreign Institutional Investments) on Indian Stock Markets. *International Journal of Basic and Applied Research*, Volume-VIII, Number XII, UGC-CARE listed journal, Impact Factor-5.86.
