- Graduated with a Cumulative Grade Point Average of 8.11/10

Research Experience

Faculty and Research Department, Indian School of Business

Hyderabad, India

RESEARCH ASSISTANT

Oct,2021 - Jul,2022

- Provided research assistance for Prof. Prachi Deuskar on a full-time basis. I am working on two projects each involving topics in market liquidity and climate finance respectively.
- Assisted Prof. Bhagwan Chowdhry with a course titled 'Advanced Programme in Leadership and Digital Innovation in Finance'. My role is mainly focused on supporting and guiding the editing team in the presentation and organization of the video content of the course.

Centre for Analytical Finance, Indian School of Business

Hyderabad, India

ANALYST

Dec,2019 - Sep, 2021

- Provided research assistance for Prof. Shashwat Alok involving data collection and cleaning.
- Contributed summaries of research papers to NSE Market Pulse, a monthly publication reviewing financial markets.
- Provided research assistance for Prof. Prachi Deuskar in research topics in market liquidity and behavioral finance which involved working on a proprietary dataset from the Bombay Stock Exchange (BSE).

Industry Experience

Capgemini Technology Services India Limited

Hyderabad, India

ASSOCIATE CONSULTANT

Oct, 2018 - Nov, 2019

- Worked as a configuration developer for Guidewire BillingCenter version10 for Direct Line Group, a British insurance company which enabled them to digitize their billing operations for their insurance business in various brands like Privilege and Churchill. Gained experience in working with business analysts, developers, and testing teams, delivered the user stories on time with quality and developed a strong understanding of the functional flow.

Capgemini Technology Services India Limited

Chennai, India

SENIOR ANALYST

Aug, 2017 - Sept, 2018

- Worked on up-gradation of Guidewire ClaimsCenter version7 to version9 from configuration end for *The Hartford*, a Fortune 500 and United States-based investment and insurance company. Fixed defects as per priority and successfully delivered the requirements pertaining to the processing of different types of claims. Acted as a point of contact for *Subrogation* flow in the application and worked along with the integration and business teams on the quality fix of defects in time.

Skills

Python · Pyspark · Basic Linux · Matlab · LaTeX

Courses & Achievements

- Secured 756th rank in *Engineering Agricultural and Medical Common Entrance Test (EAMCET)* by Andhra Pradesh State, India (2013) for which nearly 2.8 Lakh students appeared.
