

MESSAGE FROM THE DIRECTOR CAREER ADVANCEMENT SERVICES

In today's dynamic and challenging business environment, Indian School of Business (ISB) students continue to stand out to employers. Their exceptional leadership skills, astute business acumen and innovative approach to resolve challenges have consistently impressed employers.

The successfully completed placement season for the Class of 2014 stands testimony to this. Our report further elaborates on the placement results. In furthering the 'One School Two Campuses' philosophy, the 'Integrated Placements' approach across the Hyderabad and Mohali campuses aided in matching and synchronising the organisational requirements with the best talent and interests of students.

The School's progressive curriculum nurtures a work ethic which emphasises on team work and promotes an entrepreneurial mindset that is trained to conceive and capture opportunities. Students

learn how different functions and strategies impact one another and are introduced to various business challenges from multiple perspectives. The School's exceptional network of alumni, global academic and industry associations and outstanding faculty makes the School unique amongst its peers.

The Career Advancement Services (CAS) works with organisations across the public, private, and non-profit sectors to develop effective and efficient recruiting strategies. Recruiters can collaborate with the CAS and get to know the School's talented students in a variety of ways including networking events, seminars and presentations to the various student clubs. Whatever your size, sector, or goals, we invite you to peruse this brief report which provides an overview of the Class of 2015 and meet and converse with our students to consider how their talents can help grow your organisation.

LEADERS IN THE MAKING

Companies hiring ISB students for their prestigious leadership programmes has become a norm over the last few years and the trend continues this year too. As in the previous year, companies across sectors and geographies continued to bring their prestigious Leadership Programmes to the ISB. These roles are aimed at building the leadership pipeline for the participating companies. Leadership programmes constituted around 12.7% of the total number of offers made this year, and came from companies such as Aditya Birla Group, Axis Bank, Bharti Airtel, GE, HCL, HUL, IBM and Philips among others.

WOMEN TO THE FORE

Women students at the ISB, who comprise 25% of the class, fared exceptionally well both in terms of offers received as well as roles. Reflecting a trend of recruiting women for strategic roles, several leading companies offered key roles such as Director, Chief Strategy Officer, General Manager and Vice President among others..

Axis Bank's 'Women Leadership Programme' returns to ISB: With an initiative that it exclusively introduced at the ISB last year, Axis bank continued to hire women students in significant numbers from the ISB for the second year running.

PLACEMENT TRENDS

START UP FIRST

The Start Up First - an initiative started with the objective of mapping the strong entrepreneurship aspiration among the ISB students with an equally strong demand for talent from start up and early stage entrepreneurs looking to grow their ventures. The ISB has constantly encouraged its students to take up entrepreneurship as a career option and become wealth and job creators for the community. Start Up First provides them the perfect opportunity to take on entrepreneurial roles that will prepare them to hit the ground running when they launch their own ventures later.

This year witnessed around 50% increase in the number of start-up companies participating in the placements process. Representing sectors such as Technology, Telecom, E-Commerce, Transportation and Education, many of these companies offered senior management roles such as Head - Corporate Finance, Head - Operations, GM - International Relations, etc. Many of the VCs funding these companies were also seen participating actively with the promoters in the hiring process. Around 48 offers were made by 46 companies, such as Housing.com, iCreate Software Pvt Ltd, Lemon Learn eServices, LimeRoad, and MySmartPrice among others.

SPURT IN E-COMMERCE OFFERS

Leading e-commerce companies including Amazon, Flipkart, Jade eServices and Myntra.com, made a total of 81 offers constituting about 9% of the overall offers made.

CONSISTENT ENGAGEMENT WITH HEALTHCARE & PHARMA AND BFSI

This sector made its presence felt and contributed 2% higher number of offers compared to last year, which were made by leading players including Abbott, Dr. Reddy's Laboratories, Johnson & Johnson, Max Healthcare Ltd, Novartis Pharma AG, Ranbaxy Laboratories, and Sanofi among others. ISB is perhaps the only B-School where this sector continues to recruit year on year in significant numbers, owing to the presence of several healthcare and pharma professionals in the student body.

The BFSI sector represented by various firms including Axis Bank, Citibank, Deutsche Bank, HSBC and Yes Bank also showed continued interest with nearly 8% of the total offers coming from this sector.

LEADING FUNCTIONAL CHOICES

Consulting and Sales & Marketing were the two most preferred functional areas for ISB graduates attracting 24% and 18% of students respectively. Recruiting companies for Sales & Marketing roles included Bharti Walmart, Godrej Industries Ltd, Hilti, Hindustan Unilever, ITC, RPG Group, and Vodafone, among others.

A total of 759 students participated in the placements process this year, out of the 766 students in the Class of 2014. 7 students opted out of the process to start their own ventures, return to their companies or family businesses. The ISB follows the 'Rolling Placements' concept - a lateral hiring process spread over several months, giving both the recruiters and the students, time to find their best fit. During this period, the school also supports and encourages students in their independent search efforts to find their preferred careers. Through these various options, the school aims to provide students with more offers as well as variety of roles to find their best match.

PROFILE CLASS OF 2015

The one year Post Graduate Programme (PGP) at the ISB attracts the finest talent from various industries with experience across many functions. The Class of 2015 comprises a pool of students from varied backgrounds such as Consulting, Finance, Marketing, Technology, Medicine and Defence. Many students also come with the experience of working across geographies. While their backgrounds may be different, they share the same enthusiasm for taking up challenges and gaining new perspectives. This creates an environment conducive to healthy exchange of ideas and a rich classroom experience.

MORE TALENT WITH TWO CAMPUSES

Retaining the philosophy of 'one school - two campuses', the ISB's admission policy, academic calendar, mix of resident and visiting faculty (from our partner schools) and placement policy have continued to remain common for both the campuses. As for admissions, students are drawn from a common merit list and assigned to either of the campuses randomly in the ratio of class capacities.

There is also an exchange programme between both the campuses to promote interaction between the students. The placement portal is common and recruiters have access to the combined pool of talent.
